About Me

I am a Third Year IT student aspiring to build a career in AI and Machine Learning. With a strong foundation in Python, object-oriented programming, and data structures, I enjoy working on real-world projects and solving challenging problems. I am actively improving my technical skills and looking for opportunities to apply my knowledge in practical environments.

Soft Skills

- Team Collaboration
- Effective Communication
- Problem Solving

TECHNICAL SKILLS

- Programming: Python
- Libraries: NumPy, Pandas, Scikit-learn,Seaborn
- Tools: Git & GitHub, Jupyter Notebook

PROJECTS

Carbon Emission Prediction System — Jan2026 - Feb 2026

Built a machine learning model to predict carbon emissions using environmental and industrial data. Performed data preprocessing, feature selection, and trained regression models to analyze emission trends.

Clinical Trials Data Analysis — May 2025 - Dec 2025

Developed an AI-ML project to analyze and predict outcomes from clinical trials data. Applied data cleaning, exploratory data analysis, and machine learning algorithms to extract insights and improve prediction accuracy.

Movie Recommendation System — Jun 2022 - Aug 2022

Developed a machine learning-based recommendation system using Python, Pandas, and Scikit- learn. Implemented content-based filtering using similarity measures to recommend movies based on user preferences. Performed data preprocessing and feature extraction to improve recommendation accuracy.

EXPERIENCE

Technical Team Member – Club Zero Gravity — Jan 2026 - Feb 2026

Managed the organization of INNOVIO, a two-phase inter-college, domain-inclusive project competition. Managed event operations, team coordination, and end-to-end execution, ensuring smooth delivery and accountability.

EDUCATION

Bachelor of Engineering in Information Technology
Smt.Kashibai Navale Collegeof Engineering, Pune
Savitribai Phule Pune University
Currently in TE (Third Year/6th sem) | CGPA: 9.13 / 10.0

ADDITIONAL INFORMATION

Languages: English, Marathi, Hindi

Interests: Trekking, Football.
